

IGST credit accrued in FY18 won't lapse if not availed that fiscal

PRESS TRUST OF INDIA
New Delhi, June 4

THE FINANCE MINISTRY on Tuesday assured trade and industry that input tax credit accrued on import of goods by paying GST in 2017-18 will not lapse even if the taxpayer did not claim credit in the same financial year.

Addressing concerns raised by trade and industry regarding filing of annual returns for the first year (2017-18) of GST rollout, the ministry advised taxpayers to file the correct data about tax payment and other details as reported in monthly sales returns in annual return GSTR-9 by omitting auto populated data.

The ministry said many taxpayers have raised concern that annual return form GSTR-9 does not allow a taxpayer to report details of IGST paid on

imports made in 2017-18 but credit for the same was availed in 2018-19.

"Due to this, there are apprehensions that credit which was availed between April 2018 to March 2019 but not reported in the annual return may lapse. For this particular entry, taxpayers are advised to fill in their entire credit availed on import of goods from July 2017 to March 2019 in Table 6(E) of Form GSTR-9 itself," it added.

The ministry further said many taxpayers have reported a mismatch between auto-populated data and the actual entry in their books of accounts or returns. "It may be noted that auto-population is

a functionality provided to taxpayers for facilitation purposes, taxpayers shall report the data as per their books of account or returns filed during the financial year."

AMRG & Associates partner Rajat Mohan said, "The government has said auto-population functionality of annual return forms is only for the purposes of taxpayers facilitation, thereby taxpayers need to compute and check all the records before filing of such forms. The government has also clarified that IGST paid at the time of import of goods in financial year 2017-2018 but availed in the returns of April 2018 to March 2019 would not lapse."

Suggested price of 5G 30-40% higher than global rates: COAI

PRESS TRUST OF INDIA
New Delhi, June 4

A DAY AFTER the government announced its intention to hold spectrum auctions in the current year, industry body COAI said that the recommended base price of 5G radiowaves is nearly 30-40% higher than the rates in markets like South Korea and the US.

"Majority of our operators have indicated that 5G spectrum is far too prohibitively expensive and that their balance sheets can't afford this," Cellular Operators' Association of India (COAI) director general, Rajan Mathews told reporters on the sidelines of 5G spectrum policy workshop organised by the industry body Tuesday.

On Monday, the Government made it clear that it plans to go ahead with spectrum auction, including for 5G radiowaves, in the current calendar year. The new telecom minister Ravi Shankar Prasad also set a deadline of 100 days for starting the 5G trials in the country.

"Majority of our operators believe that the spectrum for 5G is overpriced by at least 30-40% compared to international standards and auction in other markets like South Korea and the US," Mathews said. He further said that incentives should be built into the spectrum price, given that 5G services in the country will also aim to serve social goals.

Finmin in 'quarantine' from Monday as Budget-making exercise commences

PRESS TRUST OF INDIA
New Delhi, June 4

AS THE GOVERNMENT gets down to prepare the full Budget, the North Block, which houses the finance ministry, will be in 'quarantine' from Monday until presentation of the Budget on July 5. The ministry will be out of bounds for visitors and media as it gets down to prepare the Budget for 2019-20.

Before the country went to polls, an interim Budget authorising government expenditure for a limited period was presented on February 1.

With a government in place now, a full-year Budget will be presented by new finance minister Nirmala Sitharaman, as the domestic economy suffered its worst slowdown in five years. Her Budget team comprises minister of state for finance Anurag Singh Thakur, and chief economic advisor Krishnamurthy Subramanian.

The official team is led by finance secretary Subhash Chandra Garg, expenditure secretary Girish Chandra Murmu, revenue secretary Ajay Bhushan Pandey, DIPAM secretary Atanu Chakraborty and financial services secretary Rajiv Kumar.

Intelligence Bureau personnel, assisted by Delhi police, will keep a close watch on the movements of those entering the rooms of officials involved in the Budget-making process

During the 'quarantine' period, all the entry and exit points of the ministry will be guarded by security personnel while the Intelligence Bureau (IB) personnel, assisted by Delhi police, will keep a close watch on the movements of

those entering the rooms of officials involved in the Budget-making process.

In her Budget, Sitharaman will have to address slowing economy, financial sector troubles like rising NPAs and liquidity crisis in NBFCs, job creation, private investments, exports revival, agrarian crisis and raise public investment without compromising on fiscal prudence. The first session of the newly elected 17th Lok Sabha will be held from June 17 to July 26. The Economic Survey for 2019-20 will be tabled on July 4, followed by the presentation of the Budget the next day.
